

Learning to Fly

This painting was painted as a reminder of learning to fly and becoming my true self. As I grow and allow God to heal the places where I have been hurt and I let go of the past, I am learning to fly! God wants you to be healed and live in complete freedom.

We have to let go of past hurts, forgive when needed and focus on the good in life so we can learn to fly! I want to fly, dance like no one's watching; sing like no one's listening and live life to it's fullest! Live out loud and on purpose!!

You have a purpose....now live it!
